ABOUT MES

Mahatma Education Society (MES) was established in 1970 with the objective of spreading education for all. MES is an epitome of vision linked irrevocably to national goals. Born in a time when education was deemed a service, it sets about bringing social and economic changes through the proactive personal developments to every child that comes in to its fold. The management of MES is headed by Dr. K.M. Vasudevan Pillai (Chairman & CEO) and Dr. Daphne Pillai (Secretary) with the team of experienced professionals from the field of education. Today MES owns and manages over 48 institutions from primary to post graduation having more than 35 thousand students and 2000 teachers.

ABOUT PHCASC

Pillai HOC College of Arts, Science and Commerce, affiliated to the University of Mumbai, one of the reputed institutions of learning and wisdom was established in 2008 with the noble objective of providing fundamental learning and assuring higher education in semi- urban area of Rasayani. The goal of the institution is education to all, irrespective of region, caste, economic strata and academic performance thereby becoming the real catalyst for change in the society. Being guided by the inspiring thoughts and encouraging words of the great visionary and CEO of MES, Dr.K.M.Vasudevan Pillai, the institution caters to the educational needs of 1000 students in various disciplines such as B.Com, B.M.S, B.Com(A&F), B.Sc(Physics, Chemistry, Maths), B.Sc (IT), B.Sc (CS), B.A , B.A.M.M.C & Post Graduation Courses such as M.Com &M.Sc (I.T).

CONFERENCE PREAMBLE

Individuals have thoughts and ideas. In most fields, new ideas can prompt new products and services. They can induce a superior method for accomplishing something.Thoughts and ideas can originate from existing organizations through innovative work.

The National Conference on Emerging trends in Computer Science and Information Technology (NCETCSIT-2k21) provides a common forum for deliberations, sharing of recent trends, advancements and research in the areas of Computer Science & Information Technology. This conference will be a very good platform for academia, researchers, industry practitioners and technologists to discuss and present recent advances and research outcomes in the field of Computer Science and Information Technology.
