From:
Dr. Lata Menon,
Principal,
Pillai HOC College of Arts, Science and Commerce,
Rasayani-410218

To
Prof. D.S. Ramesh,
Director,
Indian Institute of Geomagnetism,
New Panvel, Navi Mumbai- 410218

Subject: Request for permission of possible scientific collaboration between Dr. Jayanta K Behera from PHCASC, Pillai HOCL Educational Campus, Rasayani and Prof. Ashwini K Sinha from Indian Institute of Geomagnetism, New Panvel on the topic "Study of auroral dynamics using integrated measurements from ground and satellite".

Dear Sir,

The intention of this letter is to request for possible scientific collaboration on the topic "Study of auroral dynamics using integrated measurements from ground and satellite" of Dr. Jayanta K Behara with Prof. Ashwini K Sinha, an expert and senior scientist of your Institute.

Dr. Behera is working as Assistant Professor in Physics at Pillai HOC college of Arts, Science and Commerce. He pursued and completed his PhD degree from your esteemed organization and is keen and capable of continuing his research further in collaboration with Prof. Ashwini K Sinha who is an expert in the area of Dr. Behera's research interest. Incidentally, Prof. Sinha was also the PhD supervisor of Dr. Behera. The scientific issues under the proposed collaboration will lead to a better understanding of complexities involved in wave-particle interaction and particle precipitation under different geomagnetic conditions.

I, therefore, request your good office to grant permission for Dr. Jayanta K Behera to work in collaboration with Prof. Ashwini K Sinha. If permitted, he will be required to visit your Institution quite often and hence the permission may also be accorded for the same.

Kindly, consider the request favorably and oblige.
Thanking you,

Yours sincerely,

(Dr. Lata Menon)

Discussed with Prof. A.K. Sinha.

Permissio granted

D.S. Ramesh

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Dr. Jayanta K Behera has been the part of the attached paper presented in NSSS 2019 held at Pune and was the co-author of the paper.

Dear Prof. Ashwini Kumar,

2018000905

Greetings from NSSS-2019.

We are glad to inform you that your abstract **has been accepted** for presentation at the National Space Science Symposium-2019 (NSSS-2019) being organized by the Savitribai Phule Pune University with co-hosts Inter-University Centre for Astronomy and Astrophysics (IUCAA) and National Centre for Radio Astrophysics (NCRA). The details are as follows:

Abstract id: 1811000024

Abstract Title: Examination of simultaneous oscillations in geomagnetic field and particle precipitations in Pc5 frequency range at sub-auroral location ($L = 5$) during the recovery phase of 17 March 2015 geomagnetic storm

Session: PS-3 **Mode of Presentation :** Oral

To better suit the subject area, few abstracts have been re-assigned to parallel sessions different from that submitted for. The decision of the session conveners in this regard is taken as final.

Details of technical programme, date and time of your presentation will be available on the website one week before the symposium. The dimensions of the poster and details of ppt to be prepared will be put on the NSSS-2019 website by January first week. Posters have to be displayed on all the three days of the symposium.

Decision on travel support (if requested) and accommodation (if allotted to guest house) will be communicated to you via e-mail. For those coming with accompanying person(s) guest house will not be available. Details of hotels where the participants can book directly will be available on the website shortly. ***Please make frequent visits to NSSS-2019 website for periodic updates.***

Registration is restricted to Presenting author and maximum of two coauthors from the accepted abstract. So, we request you to provide the details of the two co-author(s) likely to attend (Name of the co-author, Application id generated after submitting response form, which can be seen in the dashboard of the co-author). Kindly submit this information on the following link <https://goo.gl/forms/MNAv8tbJbT23sYaf1> by 11 December 2018.

For registration and participation in NSSS-2019 you are required to login onto the web portal (the same one through which you submitted your abstract) using your login-id and proceed to the payment page (even if you have Registration Waiver). There is no provision for accepting registration payment by DD/Cheque. Due to logistic reasons on-spot registration will not be accepted. All payments should be made online before the dates mentioned on the website.

Please inform these details to the co-authors also. Any two co-authors who have submitted the response forms will be able to register for participation in the symposium after you have provided their details on the link given above.

You are invited to participate in the NSSS-2019, and present your paper. We look forward to seeing you at the symposium.

If you are not registering for the symposium, kindly intimate us (with your application id/ abstract id) as early as possible.

Note: It is Digitally Generated Letter and does not require any signature

With Best Wishes
Prof. P. Pradeep Kumar
Convener, Local Organizing Committee
National Space Science Symposium-2019
