# **CLASSROOM AND LAB ACTIVITY**

## **CLASSROOM AND LAB ACTIVITY**

(2017-18)

### **Activity -1**

#### **Listening Activities**

- ***Time frame:*** 10-15 minutes
- ***Purpose:*** To improve listening skills
- Active listening is one of the key skills essential for effective communication. The students had been given various listening activities and audio lessons to improve their listening skills. Demo sessions and hand outs were given to students for guidance.

#### **Recommended activity:**

**Listening Comprehension (IELTS Mock Test)** - Many of the students might need to take a TOEFL or IELTS test, and these listening activities are a great way to give more purpose to English language labs. Sample question papers of IELTS were given to the students. Students were allowed to go through the question papers and then the recording is played with intermittent gaps. After completing the mock test, answers were discussed in the class.

### **Activity -2: FONETIKS**

***Time frame:*** 10-15 minutes

***Purpose:*** To improve speaking skills and listening skills, to promote confidence and self-assessment

This is a website which helps students to improve their pronunciation. It is categorized into syllables, tone and where the stress should be on various words. There is a page for difficult to pronounce words, as well as a place to hear pop lyrics performed.

### **Activity -3**

**Time Frame:** 1 hr.

***Purpose:*** To improve writing skills, to introduce the language of real- life conversation

**Film Review** – Students are shown movies like ‘Gandhi’, ‘Men of Honor’, ‘Pursuit of Happyness’. It reveals a student's capacity for critical thought as well as his or her capacity to accurately and clearly describe events (one or more of them). The examination of events that occurred in a documentary or "ordinary" film is another aspect of writing a movie review. Reviews evaluate your vocabulary and writing skills, ability to adapt to many genres and events they depict, and ability to summarise and report on significant work in a coherent, logical, and engaging way. As pre-listening we give an introduction to the movie with brief character sketches so that it would facilitate better understanding. The students then not only write a review but answer specific questions.

## Bridge Course Report 2017-18

Pillai HOC College of Arts, Science and Commerce conducts a short intensive Bridge Course in July 2017 for the First Year Students as soon as the semester commences. Students having minimal or no background of the subject/s offered in their course are aided by our teachers to bridge the gap between their previous knowledge base and the required current knowledge base. The students were identified those who did not have a previous background and (or) found the subject difficult to comprehend. The objective of the course was to analyze their level of understanding of the subject before the start of the curriculum and bridge the gap by enhancing their knowledge and bring them on par with students from commerce background of their class. The course covered topics such as Book Keeping, Rules of Accounting, Journal entries, Ledger and other aspects.

**Students were made aware of the basics of the following subjects.**

Sr. No.	Subjects	Streams	Teacher Incharge
1.	Accounts	BCOM, BMS, BAF	Hardik Dave
2.	Economics	BCOM, BMS,BAF,BA	Kalavati Upadhyay
3.	Mathematics	All Streams	Harshita Singh, Shravan Kamble
3.	English	All Streams	Sujith Babu, Swati Mishra
4.	C programming	Bsc. IT/CS	Darshana Wajekar

**Following was the course of actions taken to fulfil the objective of the bridge course:**

1. Approval of the Schedule for the conduction of bridge course.
2. Departmental Meeting with faculty members for planning and implementation.
3. Revisiting the Bridge Course for the previous year to plan for improvisations, if any.
4. The students from the first year were identified for the Bridge Course.
5. Framing of schedule for bridge course in accordance with the Courses.

**Course Slot and Duration:**

1. The bridge course was scheduled for 3 weeks from 18<sup>th</sup> July, 2017 to 5<sup>th</sup> August, 2017. The time of the course was 3:00 pm to 4:00 pm classroom allocation for the Bridge Course was FY B.Com Class decided for Accountancy.
2. The bridge course was scheduled for 3 weeks from 10<sup>th</sup> July, 2017 to 5<sup>th</sup> August, 2017. The bridge course was conducted during the lecture hours i.e. 05 days a week for over a period of a month for Economics.
3. The bridge course was scheduled as initial lectures for 1 week from 10<sup>th</sup> July, 2017 to 16<sup>th</sup> July, 2017. The bridge course was conducted during the lecture hours i.e. 04 days a week for over a period of a month for Mathematics.
4. The bridge course was scheduled for 3 weeks from 10<sup>th</sup> July, 2017 to 5<sup>th</sup> August, 2017. The bridge course was conducted during the lecture hours i.e. 05 days a week for over a period of a month for English.
5. The bridge course was scheduled for 3 weeks from 1<sup>st</sup> August, 2016 to 21<sup>st</sup> August, 2016. The time of the course was 9:00 am to 10:00 am classroom allocation for the Bridge Course was FY BSC IT/CS Class decided for Programming in C.

## Accountancy

### Financial Accounting

2017-18

Hardik Dave

#### Objective:

- To explain the concept and role of accounting and financial reporting in the modern market economy.
- To explain the regulatory frame work for the operation of activities.
- Understanding of the basic accounting concepts, accounting principles and techniques of posting basic business changes.
- Explain the structure and content of financial statements.

#### Course Contents:

Sr.No.	Topics	No. Of Days
1.	Concepts of Accounts; Generally Accepted Accounting Principles. [GAAP]	1 week
2.	Terms of Accounts	
3.	Accounting Equation	
4.	Rules of Debit - Credit [Modern and Traditional]	1 week
5.	Journal Entries	
6.	Ledger Accounts	
7.	Trial Balances	1 week
8.	Final Accounts [Trading, P&L and Balance Sheet]	

#### Evaluation Report

1. Students recognise and understand generally accepted accounting principles and terms of accounting.
2. Understand and explain the relationship between the accounting equation and double –entry bookkeeping.
3. Students pass and record appropriate entries in the journal as well as in ledger by using the double entry bookkeeping system.
4. Students balance off ledger accounts at the end of an accounting period.
5. Students prepare a trial balance, profit and loss a/c and balance sheet.

## **Economics**

### **Business Economics**

**Kalavati Upadhyay**

**2017-18**

#### **Objective:**

- Students will be able to identify and explain economic concepts and theories related to the behaviour of economic agents, markets, industry and firm structures, legal institutions, social norms, and government policies.
- Students will be able to integrate theoretical knowledge with quantitative and qualitative evidence in order to explain past economic events and to formulate predictions on future ones.
- Students will be able to evaluate the consequences of economic activities and institutions for individual and social welfare
- Students will be able to identify the basic features of alternative representations of human behavior in economics
- Students will apply the basic theories of economics in critical thinking and problem solving

#### **Course Contents:**

<b>Sr. No.</b>	<b>Topics</b>	<b>No. Of Days</b>
1.	Basic Concepts and Principles	
2.	Basic Concepts and Principles	
3.	Nature of Economics	
4.	The market Structure	1 week
5.	The market Structure	
6.	Cost, efficiency and scarcity	
7.	Demand & Supply	1 week

#### **Evaluation Report**

1. Students will learn how markets and other governance structures organize core economic activities, such as production, distribution, and consumption, and the growth of productive resources..
2. Students learn basic Concepts.
3. Students will able to recognize and identify situations leading to market failures and government failures.
4. Understand the links between household behaviour and the economic models of demand.
5. Understand the causes and consequences of business cycles.

# MATHEMATICS

## Mathematical and Statistical Technique

Prof: Shravan Kamble

2017-18

### Objective:

- To bridge the gap between school, Junior college and university level mathematics.
- To solve multi-stage problems.
- To provide a boost to their mathematical confidence but it is also designed for good students who would like to become even better.
- To improve the basic Mathematical skills of the student and enhancing their perfection in Maths.
- To grooming Fundamental knowledge of the student in Mathematics

### Course Contents:

Sr.No.	Topics	No. Of Days
1.	Equations	1 week
2.	Calculus	
3.	Fundamental techniques for counting	
4.	Basic concepts in statistics	1 week
5.	Probability Theory	
6.	Shares and Mutual Funds	1 week
7.	Combinatory and Binomial Theorem	

### Evaluation Report

1. Students recognise and understand generally accepted Basic principles and terms of Statistic.
2. Understand and explain the relationship between the Mathematical equation
3. Students balance off ledger accounts at the end of an accounting period.
4. Students are able to solve the examples on LPP, Binomial theorem Mean, Median, Mode etc.

## **Subject: (CSE)**

**Harshita Singh**

**2017-18**

### **Objective:**

- To enjoy mathematics and develop patience and persistence when solving problems
- To understand and be able to use the language, symbols and notation of mathematics
- To develop the knowledge, skills and attitudes necessary to pursue further studies in mathematics
- To develop abstract, logical and critical thinking and the ability to reflect critically upon their work and the work of others

### **Course Contents:**

Sr. No.	Topics	Duration
8.	Basic Knowledge of Variables	1 week
9.	Graphical Representation of Frequency distribution	
10.	Concept of Central Tendency	

### **Evaluation Report**

1. Students know and demonstrate understanding of the concepts from statistics and probability
2. Students learn how to select and apply appropriate inquiry and mathematical problem-solving techniques
3. They are able to suggest improvements to the method when necessary.
4. Students are able to understand and recognize patterns.

**Communication Skills**  
**Business Communication**

**Swati Mishra**

**2017-18**

**Objective:**

- To acquaint the students coming from Semi English or Vernacular Medium with the basics of Communication Skills.
- To help them with basic transactional and Functional English.
- To help them with basic grammar and sentence structure.
- To enrich their Vocabulary set.
- To aid them in acquisition of all the four language skills.

**Course Contents:**

Sr. No.	Topics	No. Of Days
1.	Importance of Listening	1 week
2.	Hierarchy of Language Acquisition Skills	
3.	Communication Process	
4.	Basic Grammar- Tenses	1 week
5.	Basic Grammar- Tenses	
6.	Basic Grammar- Articles, Preposition	
7.	Functional English	1 week
8.	Transactional English – Bank, Vendors	

**Evaluation Report**

1. Students understand the importance of listening and take up reading at basic level.
2. Students learn basic vocabulary set and correct grammatical structure.
3. They are able to recognise the deviation in sentence structure.
4. Students could think and place correct prepositions at correct places.
5. Students are able to transact in English.

## Communication Skills in English (CSE)

2017-18

**Sujith Babu**

### Objective:

- To acquaint the students coming from Semi English or Vernacular Medium with the basics of Communication Skills.
- To help them with basic transactional and Functional English.
- To help them with basic grammar and sentence structure.
- To enrich their Vocabulary set.
- To aid them in acquisition of all the four language skills.

### Course Contents:

Sr. No.	Topics	Duration
1.	Importance of Listening	
2.	Hierarchy of Language Acquisition Skills	
3.	Communication Process	
4.	Basic Grammar- Tenses	1 week
5.	Basic Grammar- Tenses	
6.	Basic Grammar- Articles, Preposition	
7.	Functional English	1 week
8.	Transactional English	
9.	Varieties of English	
10.	Evaluation Session	

### Evaluation Report

1. Students understand the importance of listening and take up reading at basic level.
2. Students learn basic vocabulary set and correct grammatical structure.
3. They are able to recognise the deviation in sentence structure.
4. Students could think and place correct prepositions at correct places.
5. Students are able to transact in English.

**Drashana Wajekar**

**Programming in 'C'**  
**2016-17**

**Objective:**

- The objective of this course is to provide a comprehensive study of the C programming language.
- Stressing upon the strengths of C, which provide the students with the means of writing modular, efficient, maintainable, and portable code.

**Course Contents:**

Sr.No.	Topics	No. Of Days
1.	Structure of C program	1week
2.	Data, Variables	
3.	Types of operators	
4.	Iterations	1 week
5.	Arrays	
6.	Structure & Union	
7.	Pointers	1 week
8.	File Handling	

**Evaluation Report**

1. Students are able to write, compile and debug programs in C language.
2. Students are able to use different data types in a computer program.
3. Students are able to design programs involving decision structures, loops and functions.
4. Students are able to explain the difference between call by value and call by reference
5. Students understood the dynamics of memory by the use of pointers.
6. Students are able to use different data structures and create/update basic data files

The faculty members have successfully completed the bridge course. Bridge course in the institute was welcomed with a positive note by the students and thus Bridge course objectives are satisfied.

## **Course content**

### **Accountancy**

#### **Bridge Course**

#### **Rules of Debit and Credit When Accounts are classified According to Traditional Classification of Accounts:**

Debit and credit are simply additions to or subtraction from an account. In accounting, debit refers to the left hand side of any account and credit refers to the right hand side. Asset, expenses and losses accounts normally have debit balances; liability, income and capital accounts normally have credit balances.

The debit is termed as "Dr" in journal entries to refer to debits. Credit is termed as "Cr." used in journal entries for a credit.

#### **Personal Accounts:**

*Debit the receiver*

*Credit the giver.*

#### **Real Accounts:**

*Debit what comes into the business;*

*Credit what goes out of the business*

#### **Nominal Accounts:**

*Debit all expenses and losses,*

*Credit all incomes and gains.*

#### **Rules of Debit and Credit at a Glance**

<b>Types of Account</b>	<b>Account to be Debited</b>	<b>Account to be credited</b>
Personal account	Receiver	Giver
Real account	What comes in	What goes out
Nominal account	Expense and loss	Income and gain

**Example:**

From the following transactions, state the nature of accounts and state which account will be debited and which account will be credited.

1. Mr. A started business with Rs 50,000
2. Purchased goods for cash Rs.10,000.
3. Sold goods for cash Rs.15,000
4. Purchased goods from X for cash Rs.5,000
5. Sold goods to B for Rs.6,000.
6. Purchased furniture for Rs.4,000.
7. Purchased plant or Rs.10,000.
8. Paid wages Rs.400

**Solution:**

SN. Accounts Involved	Nature of Accounts	Debit or Credit
1. Cash account	Real	Debit (incomings)
Capital account	Personal	Credit (giver)
2. Purchases account	Nominal	Debit (expenses)
Cash account	Real	Credit (outgoings)
3. Cash account	Real	Debit (incomings)
Sales account	Nominal	Credit (income)
4. Purchases account	Nominal	Debit (expenses)
Cash account	Real	Credit (outgoings)
5. B account	Personal	Debit (receiver)
Sales account	Nominal	Credit (income)
6. Furniture account	Real	Debit (incomings)
Cash account	Real	Credit (outgoings)
7. Plant account	Real	Debit (incomings)
Cash account	Real	Credit (outgoings)
8. Wages account	Nominal	Debit (expenses)
Cash account	Real	Credit (outgoings)

**Rules of Debit and Credit When Accounts are Classified According to  
Modern Classification of Accounts:**

SN. Types of Account	Account to be Debited	Account to be Credited
1. Assets account	Increase	Decrease
2. Liabilities account	Decrease	Increase
3. Capital account	Decrease	Increase
4. Revenue account	Decrease	Increase
5. Expenditure account	Increase	Decrease
6. Withdrawal account	Increase	Decrease

**Example:**

From the following transaction, state the nature of accounts and state which account will be debited and which account will be credited:

1. Mr. A started business with Rs.50,000
2. Purchased goods for cash Rs.10,000.
3. Sold goods for cash Rs.15,000
4. Purchased goods from X for cash Rs.5,000
5. Sold goods to B for Rs.6,000.
6. Purchased furniture for Rs.4,000.
7. Purchased plant or Rs.10,000.
8. Paid wages Rs.400

**Solution:**

SN.	Transaction	Accounts Involved	Nature of Account	Debit (Rs.)	Credit (Rs.)	Reason
1.	Mr. A started business with Rs.50,000	Cash Capital	Asset Liability	50,000	50,000	Increased Increased
2.	Purchased goods for cash Rs.10,000.	Purchased Cash	Expense Asset	10,000	10,000	Increased Decreased
3.	Sold goods for cash Rs.15,000	Cash Sales	Asset Revenue	15,000	15,000	Increased Increased
4.	Purchased goods from X for cash Rs.5,000	Purchases Cash	Expense Asset	5,000	5,000	Increased Decreased
5.	Sold goods to B for Rs.6,000.	B Sales	Asset Revenue	6,000	6,000	Increased Increased
6.	Purchased furniture for Rs.4,000.	Furniture Cash	Asset Asset	4,000	4,000	Increased Decreased
7.	Purchased plant or Rs.10,000.	Plant Cash	Asset Asset	10,000	10,000	Increased Decreased
8.	Paid wages Rs.400	Wages Cash	Expense Asset	400	400	Increased Decreased

## JOURNAL, LEDGER and TRIAL BALANCE

### Definition and Explanation of Journal:

Journal is a book in which financial transactions of a company's business are recorded in the order in which they occur. Journal is also called as the book of the prime entry because all the financial transactions of a book business are recorded first in this book. The process of recording the financial transactions in the journal is called as journalising and the entries made in the journal are called as journal entries.

### Entry:

Recording a transaction in the appropriate place of the concerned book of account is called entry. Entry may be of the following two types:

### Journal Entry:

Recording a transaction in a journal is called **journal entry** or **journalizing**.

### Ledger Entry:

Recording a transaction from journal to the concerned account in the ledger is called **ledger entry**. It is also known as **ledger posting**.

### Narration:

A short explanation of each transaction is written under each entry which is called narration. A journal entry is not complete without narration".

### Format of Journal:

Date	Particulars	L.F	Debit Amount	Credit Amount
	Account to be debited .....Dr. Account to be credited (Narration: Brief of the transaction)		XXX	XXX

### Date:

This column is used to write the date of the business transaction.

### Particulars or Details Column:

In this column the names of the two connected accounts are written in two consecutive lines - in the first line the name of account debited and in the second line the name of account credited.

### Ledger Folio (L.F):

The page numbers of the ledger where the two concerned accounts have been posted, are written in this column against the name of each account. This will help locating easily the two concerned accounts from the ledger.

### Amount:

The debit amount is written in the first "amount" column against the name of account debited and the credit amount in the second "amount" column against the name of account credited.

### Example of Journal:

#### Journalise the following transaction

2005

Jan. 1 Mr. Javed started business with cash Rs.100,000

2 He purchased furniture for Rs.20,000

3 He purchased goods for Rs.60,000

5 He sold goods for cash Rs.80,000

6 He paid salaries Rs.10,000

#### *Solution:*

#### **Journal**

Date	Particular	L.F	Amount	Amount
2005				
Jan. 1	Cash A/C .....Dr. Capital (Being capital brought in)	9 11	100,000	100,000
2	Furniture A/C.....Dr. Cash A/C (Being furniture purchased for cash)	13 9	20,000	20,000
3	Purchases A/C.....Dr. Cash A/C (Goods purchased for cash)	15 9	60,000	60,000
5	Cash A/C.....Dr. Sales A/C (Sold goods for cash)	9 17	80,000	80,000
6	Salaries A/C.....Dr. Cash A/C Return (Salaries paid)	19 9	10,000	10,000

### **Definition and Explanation of Ledger:**

The book in which accounts are maintained is called **ledger**. Generally all transactions relating to that account are recorded chronologically. From journal each transaction is posted to at least two concerned accounts - debit side of one account and credit side of another account. The process of transferring information from journal to ledger accounts is known as *posting*.

So, the books in which all the transactions of a business concern are finally recorded in the concerned accounts in a summarized form is called ledger.

### ***Posting Procedure:***

Transferring information i.e. entries from journal to ledger accounts is called posting. The procedure of posting from journal to ledger is as follows:

1. Locate the ledger account from the first debit in the journal entry.
2. Record the date in the date column on the debit side of the account. The date is the date of transaction rather than the date of the posting.
3. Record the name of the opposite account (account credited in entry) in the particular (also know as reference column, description column etc) column.
4. Record the page number of the journal in the journal reference (J.R) column from where the entry is being posted.
5. Record the amount of the debit in the "amount column"
6. Locate the ledger account for the first credit in the journal and follow the same procedure.

### ***Balancing An Account:***

The difference between the two sides of an account is its balance. The balance is written on the lesser side to make the two sides equal. The process of equalizing the two sides of an account is known as ***balancing***.

The ***rules for balancing an account*** are stated as below:

1. Add up the amount columns of both the sides of an account and write the totals in a separate slip of paper.
2. Find out the difference of the two totals.
3. Write down the difference on the lesser side of the account.
4. Now total up both the sides and write the totals and draw double lines under them.
5. Again write the difference on the opposite side below the double line.

If the debit side of an account is heavier, its balance is known as debit balance. and if the credit side of an account is heavier its balance is known as credit balance. If the two sides are equal, that account will show zero balance. The rules for determining the balance is as follows:

It may be noted that at the time of balancing an account debit balance is placed on the credit side and credit balance on debit site. This balance is known as closing balance. What is closing balance in this year, is the opening balance of the next year.

**Example:**

We will post the journal entries passed in the above example into the respective accounts by opening the required account in the ledger

**Solution:**

**Ledger**

**Cash Account (No.9)**

Date	Particular	J.R	Amount	Date	Particulars	J.R	Amount
2005				2005			
Jan.1	Capital A/C	1	100,000	Jan.2	Furniture A/C	1	20,000

	<b>Total</b>		<b>80,000</b>		<b>Total</b>		<b>80,000</b>
					<i>Balance b/d</i>		80,000

### Salaries Account (19)

Date	Particular	J.R	Amount	Date	Particulars	J.R	Amount
2005				2005			
Jan.6	<i>Cash A/C</i>	1	10,000	Jan.6	<i>Balance c/d</i>		10,000
	<b>Total</b>		<b>10,000</b>		<b>Total</b>		<b>10,000</b>
	<i>Balance b/d</i>		10,000				

### Definition and Explanation:

**Trial balance** may be defined as an informal accounting schedule or statement that lists the ledger account balances at a point in time compares the total of debit balance with the total of credit balance.

The fundamental principle of double entry system is that at any stage, the total of debits must be equal to the total of credits. If entries are recorded and posted correctly, the ledger will reflect equal debits and credits, and the total credit balance will then be equal to the total debit balances.

### Purposes of Trial Balance:

The trial balance serves two main purposes. These are as under:

1. To check the equality of debits and credits - an arithmetical or mathematical test of accuracy.
2. To provide information for use in preparing final accounts.

### Procedure

First of all the balances of all ledger accounts are drawn. Thereafter, the debit balances and credit balances are recorded in "debit amount" and "credit amount" column respectively and the two columns are added separately to see whether they agree or not. This is the most popular method and generally followed.

The various Steps involved in the preparation of Trial Balance under this method are given below:

1. Find out the balance of each account in the ledger.
2. Write up the name of account in the first column.
3. Record the account number in second column.
4. Record the debit balance of each account in debit column and credit balance in credit column.
5. Add up the debit and credit column and record the totals.

**Example:** Same example is repeated for the trial balance.

#### Trial Balance

S. No.	Account Name	Debit Amount	Credit Amount
1	Cash Account	90,000	
2	Furniture Account	20,000	
3	Capital Account		1,00,000
4	Purchases Account	60,000	
5	Sales Account		80,000
6	Salary Account	10,000	
	<b>Total</b>	<b>1,80,000</b>	<b>1,80,000</b>

**Note:** If an account shows zero balance, it is not necessary to record it in trial balance.

The faculty members have successfully completed the bridge course. Bridge course in the institute was welcomed with a positive note by the students and thus Bridge course objectives are satisfied.

**Mahatma Education Society's  
Pillai HOC College of Arts, Science & Commerce, Rasayani**

**Report on Soft Skills Workshop**

The Internal Quality Assurance Cell of Pillai HOC College of Arts, Science & Commerce, Rasayani organized a Soft Skills Workshop for the students of various streams from 17 August 2017 to 1 September 2017. The objective of the programme was to help our students brush up and enhance their soft skills through activities and hands on training. Forty-five students from various disciplines participated in the 12 days workshop.

The workshop was officially inaugurated by Dr. Lata Menon, Principal, Pillai HOC College of Arts, Science and Commerce, Rasayani on 17 August 2021. Resource persons from various academic programmes of the institution led the sessions on Leadership Skills, Communication Skills, Positive Thinking and Analytical Skills etc. All the registered students attended the sessions and participated in the activities wholeheartedly.

### YOGA DAY REPORT

The Yoga Committee, Women Development Cell in association with The Soroptimist International of Pillai HOC College of Arts, Science & Commerce held the programme to celebrate "The International Yoga Day" on 21<sup>st</sup> June 2017. The Yoga Committee of our college has given an opportunity to the students to learn and practice Yoga on International Yoga Day.

A Yoga Session of around sixty minutes was organized in which students and faculty both enthusiastically took part and practiced various 'Asanas' of Yoga and Pranayam. The Committee organized the session held on 21<sup>st</sup> June 2017, Wednesday and around thirty students took part along with the teachers. The activity was conducted around 9 am and were instructed to come on a light stomach. The Yoga session was started with chanting of 'pranaymantra OM' followed by several asanas.

Prof. Swati Mishra led the session and performed several asanas in front of the students and Prof. Harshita Singh briefed the students about the importance of chanting 'Om' and also briefed them about the importance of Yoga. The Professors also explained the students how Yoga plays a vital role in our life.

It was an altogether a refreshing experience for everyone present there.

The programme was concluded by the vote of thanks.
