It would be helpful if we all contribute to generate material for our library.

Curriculum and syllabus of MU enables to gain proficiency.

Change in syllabus relevant to advancement and technology should be needed.

12 responses

21. Students have the ability to learn industrial practices fast and mould themselves into the stream

12 responses

22. Any other points to improve the student quality:

12 responses

Nothing

With the theoretical knowledge arrange people from the same subject field to share their practical experiences so as students can adept it in early stage and learn better as per their desire stream. Specially banking and insurance.

NA

No

To work on identify the individuals talent and make them feel good about it.

Excellent very good

This guy is already haves 5 years experience.who have good reputation in market.improvement not needed.
